## Academic Transcript Key

The Academic Transcript is a comprehensive statement of attempted and verified learning designed to illustrate and communicate how the student has met program competencies and corresponding learning outcomes. The transcript reflects the student's permanent academic record, comprised of all courses set into registration, competency units received, certifications/credentials earned, honors/awards received, and degrees conferred.

### Accreditation

Western Governors University ([www.wgu.edu](http://www.wgu.edu)) and its state affiliates are regionally accredited by the Northwest Commission on Colleges and Universities. The WGU Teachers College is granted accreditation at the initial-licensure level from the Council for the Accreditation of Educator Preparation (CAEP). WGU nursing degree programs are accredited by the Commission for Collegiate Nursing Education (CCNE). The Health Informatics program is accredited by the Commission of Accreditation for Health Informatics and Information Management Education (CAHIIM). The WGU Business College is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

### Competency Based Education

Western Governors University and its state affiliates grant degrees and certificates based on the demonstration of competencies. Competencies for every degree and certificate are developed by national panels of experts in the field. The competencies represent the knowledge and skills considered essential for effective performance as a graduate of the particular degree or certificate program.

### Competency Units (Credit)

One competency unit is equivalent to one semester credit of learning.

### Class Levels

0-23 units	=	first year or freshman level
24-47 units	=	second year or sophomore level
48-71 units	=	third year or junior level
72-95 units	=	fourth year or senior level
96+ units	=	fifth year or fifth year senior level

### Term

Western Governors University and its state affiliates enroll a new class of students at the first of every month and terms are six months in length.

### Full-Time Enrollment

Undergraduate students are required to enroll in 12 competency units for full-time status. Graduate and Post-Baccalaureate students are required to enroll in 8 competency units for full-time status. Depending on their levels of expertise and how much time they can devote to their studies, students may complete additional competency units in a given six-month term.

### Grading System

Academic Transcripts include six possible marks:

- **Pass:** Certifies successful completion of a course of study. The student has demonstrated the required competencies by passing the final assessment with a grade equivalent of "B" or better or 3.00 grade points on a 4.00 scale.
- **Not Passed:** Indicates that a student failed to complete a course of study in the time allotted. To meet program requirements, the student generally re-enrolls for the course of study in a subsequent term.
- **Requirement Satisfied:** Recognizes that a student has satisfied the requirements of a course of study through alternate coursework that may not be directly transferred.
- **Transfer:** Signifies that the student has completed equivalent coursework or holds certifications or licenses that comply with Western Governors University transfer credit policies.
- **Withdrawn:** Represents that the student was withdrawn from the university or course before term completion.
- **Dropped:** Verifies that the course was dropped from term registration and is not included in attempted units.
- **Incomplete:** Indicates an arrangement between the University and the student to complete the course at a later date. The entirety of the coursework has not been completed and/or the final assessment has been deferred.

Western Governors University and its state affiliates do not calculate a grade point average (GPA) or class rank.

### Removal from Academic Program

Removal from Academic Program indicates removal from the student's degree program.

### Disciplinary Expulsion

Disciplinary Expulsion indicates permanent separation and removal from the University.

### Note for Academic Transcripts Prior To October 2004

Prior to October 2004, Western Governors University was a non-term institution for Federal Financial Aid Title IV purposes. All courses of study completed prior to October 2004 do not carry a term designation since the courses of study and terms were non-standard in length.
